

KUIPER BELT

KENTUCKY

STRAIGHT BOURBON WHISKEY

Kuiper Belt 6 Year Old Bourbon is a Kentucky Straight Whiskey presented by the award-winning producer Earl “E-40” Stevens. The Kuiper Belt 8 Year Old Bourbon was called the “best sourced whiskey of the year” in 2021 and received incredible accolades for an inaugural production run.

Kuiper Belt 6 Year Old Bourbon delivers notes of aged oak and toasted caramel on the nose, with a thick, round mouthfeel. On the front of the palate you’ll find cinnamon and melted caramel, followed by dried fruits and notes of honey, leading into spicy, peppery notes on the back of the palate. The finish delivers a medium and balanced sweetness that gracefully fades away and leaves you with slight notes of toasted oak. Our mash bill is 75% Corn, 21% Rye and 4% Malted Barley.
